(7) Is it not justifiable to grant remission even now and is it possible to refund the assessment already recovered under the tank ?

SECRETARY TO GOVERNMENT, DEPARTMENT OF PUBLIC WORKS.—

A.—15. (1) The tank discharged in 1917-18 or 10 years back.

(2) Vaisakhi crop seems to have been raised in 1917-18 or 10 years back.

(3) *Tari Banjar* remission of half wet assessment was granted in the years 1901-02, 1902-03, 1904-05, 1905-06 and 1917-18.

(4) Remission has not been granted since 1918-19, in view of the fact that more than half the extent was cultivated with wet crops, the out-turn being more than 4 annas.

(5) There has been a general complaint of the tank not filling and a demand for opening new feeders. Various schemes to augment the supply were considered, but were found unworkable. The tank has received water this year the level being 41 below the weir.

An estimate to clear the jungle in the feeder channels has been prepared.

(6) The capacity of the tank is 632 units and the present atchkat is 717 acres. When the tank fills, there will be sufficient water for the cultivation of the entire atchkat and there is therefore no necessity to reduce the atchkat.

(7) *Vide* reply to 4.

Supplementary Questions and Answers.

Mr. H. C. Dasappa.—

In Mysore District it is stated that 61 appointments have been made. To what community were they given?

Chief Secretary—

To Brahmins.

Mr. H. C. Dasappa.—

What is the reason for the large number of appointments being given to Brahmins?

Chief Secretary—

Appointments given to the same applicants more than once are also included in the number.

Mr. H. C. Dasappa.—

Does it not amount to giving more encouragement to only one community?

Chief Secretary—

That is a matter of opinion.

Mr. H. C. Dasappa.—

Were no applications received from candidates of backward communities in the Kadur District? How many vacancies were there?

Chief Secretary—

It is not possible to say.

Mr. H. C. Dasappa.—

Has the Central Recruitment Board got a statement?

Chief Secretary—

No. As vacancies occur, they are advertised.

Mr. H. C. Dasappa.—

Has only one place of a sheikdar been advertised in the Kadur District?

Chief Secretary—

The information is already given in the reply.

Mr. H. C. Dasappa.—

Was only one appointment of sheikdar given to a member of backward community in 5 years?

Chief Secretary.—

Probably.

Mr. H. C. Dasappa.—

Are Government aware that the officers in that district have gone against Central Recruitment Board rules?

Chief Secretary.—

It is not possible to say.

Mr. H. C. Dasappa.—

Would you please make enquiries?

Chief Secretary.—

We shall consider.

Mr. H C. Dasappa.—

In respect of the Kolar District also can you say whether applications have not been received from other communities for five years?

Chief Secretary.—

No. The figures given now are not complete.

Mr. H. C. Dasappa.—

With reference to answer to (*c*) are all the 47 appointments in the Mysore District given to only one community?

Chief Secretary.—

We have to ascertain.

Mr. H. C. Dasappa.—

Why is so much difficulty felt in getting the information particularly from the Mysore District?

Chief Secretary.—

It is certainly difficult to go through the records for 5 years and furnish the information. Besides, Mysore is a big district and it takes much time to collect the statistics. We cannot even say that the information received from the other districts is full and accurate.

Mr. H. C. Dasappa.—

How many days' notice do you require for furnishing the information?

Chief Secretary.—

Complete information will be furnished to you on receipt.

Mr. H. C. Dasappa.—

With reference to (*b*) it is stated that besides 19 appointments, 22 appointments were given in short-term vacancies to thrown-out officials and qualified recruits of all castes. How many of these appointments were given to Brahmins and how many to candidates of other communities?

Chief Secretary.—

Information will be called for.

Mr. B. Linge Gowda.—

With reference to (*c*) it is said that most of the 47 appointments were given to experienced gumastas. Do all of them know riding? Have they been trained?

Second Member of Council.—

No special training is required.

Mr. B. Linge Gowda.—

Is not sheikdar an executive officer and is not horse-riding necessary?

Second Member of Council.—

Yes.

Mr. B. Linge Gowda.—

Is it not necessary to take sheikdars by direct recruitment?

Chief Secretary.—

As far as possible they are being recruited like that every year.

Mr. B. Linge Gowda.—

Then where was the necessity for 47 appointments in Mysore District?

Chief Secretary.—

We shall get the information.

Mr. Malliah.—

With reference to (*a*) what is the reason for giving 61 appointments to only one community only? Were there not candidates in the backward communities?

Chief Secretary.—

Unless and until we get a complete statement, we cannot give the information.

Mr. Malliah.—

Was not a similar question asked in the Legislative Council?

Chief Secretary.—

Might be.

Mr. Malliah.—

I want a definite reply.

Second Member of Council.—

You must refer to the Proceedings.

Mr. Malliah.—

What is the difficulty in getting the information?

Second Member of Council.—

The Deputy Commissioner has since collected the information which is being sent to Government.

Mr. Malliah.—

Are there no references in regard to 180 appointments in all? Should we presume that information is not available in the office about sheikdari appointments?

Second Member of Council.—

Records have to be examined in detail. Sheikdari appointment files are not separately kept.

Mr. Malliah.—

With reference to the foot-note to (*c*) how many belong to one community?

Second Member of Council.—

We want notice.

Mr. Malliah.—

When we have a definite question already, why do you require further notice?

Second Member of Council.—

Complete information has not been received. Information available now has been given.

Mr. Nilgiri Sanjeeviah.—

Has not this question come from the Mysore District?

Second Member of Council.—

Yes.

Mr. Nilgiri Sanjeeviah.—

Was it not known to the Deputy Commissioner earlier than the Government and were there no proper facilities for the Deputy Commissioner to collect the necessary information?

Second Member of Council.—

The question must first be admitted by Government and the Deputy Commissioner has to collect the information afterwards.

Mr. Nilgiri Sanjeeviah.—

It is only in the Mysore District that detailed information is not furnished. Are Government aware that this is always the case in this district ?

Second Member of Council.—

I am not prepared to answer.

Mr. Nilgiri Sanjeeviah.—

Even in the last Legislative Council this was the complaint.

Second Member of Council.—

I cannot say if the same question was asked there.

Mr. Nilgiri Sanjeeviah.—

Will you please make enquiries ?

Second Member of Council.—

We shall consider.

Mr. Nilgiri Sanjeeviah.—

By whom were these appointments made in the Mysore District ?

Third Member of Council.—

Some by the Assistant Commissioners and most by the Deputy Commissioner.

Mr. Nilgiri Sanjeeviah.—

Were not non-Brahmins removed from sheikdari and Brahmins appointed in their places ?

Second Member of Council.—

We cannot say.

Mr. Nilgiri Sanjeeviah.—

Did not those non-Brahmins who were removed petition to Government ?

Second Member of Council.—

We want notice.

Mr. Nilgiri Sanjeeviah.—

Will Government investigate into the matter and see that no such complaints come up in future ?

Second Member of Council.—

We shall see.

Mr. Nilgiri Sanjeeviah.—

Will the information about other particulars be published ?

Second Member of Council.—

It will be included in the Proceedings of this session.

Mr. Ram Das.—

Are there any rules for giving encouragement to backward classes ?

Second Member of Council.—

Yes.

Mr. Ram Das.—

Are the rules strictly observed ?

Second Member of Council.—

As far as possible. But there are many difficulties in the way.

Mr. Ram Das.—

What are the difficulties ?

Second Member of Council.—

There is the Central Recruitment Board for seeing them and suggesting remedies.

Mr. Ram Das.—

Are appointments given according to the proportion fixed ?

Second Member of Council.—

There is a committee appointed for the purpose. Their report is expected and after scrutinizing it Government will consider what further arrangement will have to be made.

Mr. Ram Das.—

Has the percentage of 50 been reached ?

Second Member of Council.—

I do not think so. Efforts are being made and the report of the committee is expected shortly.

Mr. Ram Das.—

At least in future would you strictly adhere to the policy ?

Second Member of Council.—

We shall consider.

Mr. B. Narasinga Rao.—

What is the reason for not giving detailed information only in the Mysore District ? Cannot the Amildars furnish the details ? By giving such a reply does it not lead to suspect that the reply is evasive ?

Chief Secretary.—

We wanted to give a comprehensive report. In the meantime, as the members wanted the information, that

which was available has been given. Full information will be given in the Proceedings.

Mr. Narasinga Rao.—

It will be very long before the Proceedings are published. At least the information might be given to the members concerned.

Second Member of Council.—

We shall do it.

Mr. B. L. Byanna.—

How many applications were received from candidates of different communities ?

Second Member of Council.—

We want notice.

Mr. H. B. Gundappa.—

Is it not against the policy of Government to have given 61 appointments to members of only one community out of 88 ?

Second Member of Council.—

We shall enquire.

Mr. H. B. Cundappa.—

Are not the officers required to carry out instructions of Government ?

Second Member of Council.—

Government expect every officer to carry out their orders loyally.

Mr. D. S. Mallappa.—

Was not a similar objection raised in this Assembly on the last occasion against the Deputy Commissioner of the Mysore District for having given many promotions only to Brahmins and is it not clear that he always does it ? What action do the Government propose to take ?

Dewan.—

We cannot discuss all that now. Full information will be obtained and furnished to you.

Mr. B. S. Puttaswami.—

From the information now given is it not clear that many Brahmins are appointed ?

Chief Secretary.—

Full particulars will be obtained.

Mr. B. S. Ranoji Rao.—

With reference to list (*a*) out of 181 appointments only 51 have been reported to the Central Recruitment Board. What is the reason for omitting the rest ?

Socond Member of Council.—

All were not permanent appointments. Certain temporary appointments which are vacant only for short terms are included in that number. Such appointments are not required to be reported to the Central Recruitment Board.

Mr. D. S. Mallappa.—

Why should not temporary appointments be given to non-Brahmins ?

Third Member of Council.—

They do not seem to care to take up appointments which are of less than three months' duration.

Mr. B. S. Ranoji Rao.—

What is the reason for giving 101 appointments to members of only one community ?

Second Member of Council —

Perhaps they might have been only short-term appointments.

Mr. Nilgiri Sanjeeviah.—

The Proceedings of this Assembly are not fully reported. The previous book does not give *in toto* what took place on the last occasion.

Mr. Mahomed Abbas Khan.—

I understand that there have been certain omissions in the report of the Proceedings of the Assembly in the past. It is better if arrangements are made to make proper record of what all takes place in this Assembly.

Mr. Venkataswami Gowda.—

What is the reason for omitting the Bangalore District in the list ? Has not the information been called for ?

Second Member of Council.—

Information has not yet been received.

Dewan —

We shall get full information.

Mr. Razvi.—

Several questions are repeatedly asked at every session. Government should see which questions have been answered and which not. There should be a separate staff for this purpose. Full information should be got and furnished to the members. Unless this is done, the members do not stop asking the same question again and again. I have already requested that copies of the Proceedings of the Assembly should be supplied at least one month before the Assembly meets next. We want sufficient time to go through them and then put questions on points that have not been properly answered. This time copies of the Proceedings were distributed in the Assembly Hall itself. This is inconvenient. At least in future my request may be granted.

Dewan.—

We shall consider.

Mr. Ram Das.—

What is the reason for not giving the information abou Bangalore ?

Dewan.—

We shall get the information.

Mr. Ram Das.—

Will you kindly furnish to us later ?

Dewan.—

All right.
